## FACT SHEET

### Description

Since 2002, Niagara Regional Housing (NRH) has been the administrator of affordable housing for Niagara Region and is governed by a community-based Board of Directors who report to Niagara Regional Council.

NRH opens doors for the citizens of Niagara through a continuum of affordable housing options, including single-family dwellings, townhouses and apartment communities for seniors, individuals and families.

Through the Centralized Waiting List, NRH ensures fair and equal access to more than 7,500 units of affordable housing through Public Housing, Social Housing (non-profit and co-operative) and private market landlords.
