CONNECT YOUR HOME TO NATURAL GAS BY JUNE 30, 2009 AND RECEIVE ENBRIDGE REBATES WORTH UP TO \$540!

Take advantage of natural gas conversion rebates by completing your installation of an ENERGY STAR® heating system and water heater! Then, simply complete and mail the Rebate Form below or visit www.naturalswitch.com

In addition to Enbridge rebates, substantial government rebates are also available!

By making your home more energy-efficient, you could qualify for government rebates of up to \$10,000! Natural Resources Canada's ecoENERGY Retrofit - Homes program is available to homeowners who have completed a pre and post-retrofit energy evaluation by an NRCAN-licensed energy advisor. Visit www.ecoaction.gc.ca for more details.

And when your retrofit is complete, you can put money back into your pocket with the new Home Renovation Tax Credit! Visit www.cra.gc.ca for more details.

***These rebates are not offered by Enbridge Gas Distribution. See www.ecoaction.gc.ca, www.cra.gc.ca and www.powersouthon.ca for terms and conditions. The ENERGY STAR mark is administered and provided in Canada by Natural Resources Canada. Used with permission.
