SUBJECT: Dr. Albert Rose Bursary Program - 2010

BACKGROUND

The Dr. Albert Rose Bursary Program provides one-time financial assistance (bursary) for post-secondary education and is available to all tenants/members living in rent-geared-to-income housing in Ontario. Dr. Rose dedicated his life to education and social housing and his vision continues to assist our community through this program.

There are two types of bursaries available under the Dr. Albert Rose program:

Full bursary awards are available to students attending the first or second year of a program in a recognized post-secondary institution who are carrying a full course load. The program must lead to a degree, diploma or certificate.

The maximum award for full bursary recipients is \$3,000.00.

Part bursary awards are available to those who are enrolled in a trade or skills-based training program that is at least four weeks in length, or an adult learning program, or first or second year courses of a part-time post-secondary program.

The maximum award for the part bursary recipients is \$1,000.00. Courses must start after March 31, 2010 but before April 1, 2011.
